Sir:

**SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT**

**UNDER 37 C.F.R. § 1.97(b)**

Pursuant to 37 C.F.R. §§ 1.56 and 1.97(b), Applicants bring to the attention of the Examiner the listed document on the attached PTO/SB/08 Form. This Supplemental Information Disclosure Statement is being filed before the mailing date of a first Office Action after the filing of a Request for Continued Examination in the above-referenced application.

Applicants submit a copy of a Notice of Allowance and Fee(s) Due ("Notice") mailed July 19, 2009 from the Office in U.S. Patent Application No. 10/588,370. The Notice includes a PTO-892 Form, citing a plurality of U.S. patent publications. Applicants therefore list the U.S. patent publications cited in the Notice on the attached PTO/SB/08 in the present application. Applicants note that the U.S. Patent Application Publication No. 2007/0270153 cited in the

Notice is the publication of the present application, and therefore, is not listed in the attached PTO/SB/08 Form. U.S. Patent Nos. 5,953,669 and 6,111,857 were cited in Applicants' Information Disclosure Statement filed on August 4, 2006, and therefore, are not listed in the attached PTO/SB/08 Form.

Copies of the listed U.S. patent publications are not enclosed. Applicants respectfully request that the Examiner consider the listed documents and indicate that they were considered by making appropriate notations on the attached form.

This submission does not represent that a search has been made or that no better art exists and does not constitute an admission that the listed documents are material or constitute "prior art." If the Examiner applies the documents as prior art against any claims in the application and Applicants determine that the cited documents do not constitute "prior art" under United States law, Applicants reserve the right to present to the Office the relevant facts and law regarding the appropriate status of the documents.

Applicants further reserve the right to take appropriate action to establish the patentability of the disclosed invention over the listed documents, should the documents be applied against the claims of the present application.

If there is any fee due in connection with the filing of this Statement, please charge the fee to Deposit Account No. 06-0916.

Respectfully submitted,

FINNEGAN, HENDERSON, FARABOW,  
GARRETT & DUNNER, L.L.P.
